In 2021 the special topic is called „Buddy Rich Special“, which has to be taken into account.

Buddy Rich Special

The Focus on the Austrian Drummer Awards 2021 is „Buddy Rich“.

In the Freestyle Drum Solo there are three elements desired.

RUDIMENTAL DRUMMING: Rudimental Drumming should be used in the Free Style Drumsolo. These parts could be inspired, for example, by Buddy Rich`s rudimental drumming as well as Charly Wicoxon`s Rudimental Swing Soli.

BUDDY RICH LICKS: Buddy Rich Licks should be also integrated in the Free Style Drumsolo, no matter, if its the original 16th triplet Lick between the floor tom and the snare drum, or any other variation of this Buddy Rich Lick.

SWING: In the Freestyle Drum Solo, one of the choosen drum styles should be Swing. Therefore every participant can freely decide, if they are going to play trditional swing or contemporary swing, like it is used in free jazz music.
